Concerned Citizens of Laguna Woods Village MONTHLY MEETING

“The Consequences of the Demise of Affirmative Action”

SPEAKER: Marc Novicoff
Associate Editor, *Washington Monthly*

This talk is a commentary on the June 2023 Supreme Court decision in *Students for Fair Admissions v. University of North Carolina and Harvard*

Can universities maintain minority representation without affirmative action?

Can “need-based” affirmative action replace “race-based” affirmative action?

Will legacy admissions or admissions based on athletic skill remain legal?
